

Christmas Crackers Six

Chiroubles La Grosse Pierre, Domaine de la Grosse Pierre 2024, Beaujolais x I 🍷

A pale hue, with some delicate redcurrant notes on the nose, much more depth on the palate with some soft, ripe fruit and a hint of black pepper on the finish.

"This silky bistro-style gamay has strawberry aromas and a sour, dry finish with a little spice. Enjoy with cold meat." *Will Lyons, The Times, 24th June 2026*

Cahors, Tradition, Malbec, Château Haut-Monplaisir 2023, South of France x I 🍷

Attractive nose of cassis fruit leading to a juicy, fresh palate with black fruits, hints of hazelnut and soft tannins on the finish.

"This wine, with its firm tannins and dense black plum fruits, is ripe and concentrated. From the high quality vineyards on the third terrace above the River Lot, the wine, with its dark coffee aroma, is worth aging." 93 points. *Roger Voss, WineEnthusiast.com, 10th August 2026*

Sesti 'Grangiovese', Toscana, Castello di Argiano 2023, Italy x I 🍷🌱

The Sesti family use the Sangiovese grapes that don't go into their Brunello and Rosso di Montalcino for this, with ripe, gamey flavours lingering in the mouth.

"not only superior to many rival Brunellos, but also drinking beautifully already, and I can hand on heart say I have never tasted a finer vintage since this wine debuted with the 2007. It is a true, medium-weight, lithe, red berry and wild herb-soaked Tuscan red with masses of class and a mellifluous nature that commands immense respect and also uncommon thirstiness in all who have the pleasure of its acquaintance." *Matthew Juke, MoneyWeek, 26th June 2026*

Eva Pempere Reserve Sauvignon Blanc, Single Vineyard, Marlborough 2024, New Zealand x I 🍷

A concentrated Marlborough Sauvignon, offering grapefruit and gooseberry flavours, with a lively streak of minerality and salinity.

"Mineral, floral nose matched by uplifting orchard green fruit. Palate of spice and grapefruit with gooseberry highlights. Long finish with hints of salinity." 95 points. *Gold Medal Winer, International Wine Challenge 2026*

Ide 'El Verano' Chardonnay, Sonoma County 2024, California x I 🍷

Full of vibrant lemon and lime and a hint of creamy stone-fruit. Aged in stainless steel and neutral oak for complexity and texture, without giving oaky flavours.

"This is made by Sonoma Bespoke, who aim to make good quality, value-driven wines in Sonoma. Textured and refined, this has ripe pear, peach and citrus fruit, showing some mid-palate richness but also nice brightness on the finish, with good acidity. This is made more in a Chablis style, looking to express the bright fruit of Chardonnay, rather than oak influence and ripeness. Stylish and expansive." 91/100 *Jamie Goode, WineAnorak.com, 11th July 2026*

Vouvray, Clos le Vigneau, Château Gaudrelle 2024, Loire Valley x I 🍷🌱

This full-bodied, just off-dry Chenin Blanc is produced biodynamically with minimal use of sulphur.

"Located in Rochecorbon, Château Gaudrelle was founded in the 17th century and for the last 100 years, no herbicides nor insecticides have been used and current owner Eric Pasquier decided to go completely biodynamic in 2021, with all grapes collected by hand. He even uses horse power in his vineyards. This wine is full-bodied, just off-dry Chenin Blanc, produced biodynamically with minimal use of sulphur. A sec-tendre, light golden yellow in colour, it is characterised by notes of quince fruit and acacia flower and is best enjoyed now with grilled white fish, or scallops." *Natasha Heard, LuxuryLifestyleMag.co.uk, 22nd July 2026*

SYMBOLS: 🌱 vegetarian 🌿 vegan 🍷 organic 🌱 biodynamic
