

Classic Pair

Sancerre, Cuvée Marnes & Caillottes, Jean-Max Roger, France x I

Very pure Sauvignon, this is fantastic Sancerre: dry, concentrated and aromatic. This comes from the sites rich in limestone, these pale soils impart elegance and finesse.

Château Montaguillon, Montagne Saint-Emilion, France x I

This has a delicious supple red fruit character of plums, blackcurrants and cherries backed up by good structure and ripe tannins - recommended by Victoria Moore in The Telegraph on 3rd October 2025.
