

Tanners French Rosé, Côtes de Gascogne 2018

Product Images

Description

Recommended Rosé Wine

"Why? Still bursting with strawberry fruit but a little paler than you remember perhaps? Dry, supple and an excellent price, Tanners Rosé never lets you down, keeps you in the pink!" Robert Boufflower

Sourced from a family domaine in the Gers, this juicy, racy rosé has been a fantastic success since release. Vibrant summer fruits nose and a soft strawberry flavour mean one bottle isn't enough!
