

Château Meyney, Saint-Estèphe 2018-En Primeur (red)

Product Images

Description

Next door to Château Montrose, Meyney continues to build in stature. Lots of dark chocolate mark this impressive effort, while the typical St-Estephe traits of good structure and length make it stand out at its price-point. It's certainly big, and generously ripe, but still hangs on to its terroir. Another property that keeps making great wine, high amongst our favourites.

Additional Information
