

Dow's Quinta Senhora da Ribeira, Vintage Port 2018 - Magnum-En Primeur (case of 3)

Product Images

Description

The mainstay Quinta for Dow's Vintage Port, this wine has a typically dry edge, seems to be riper and richer in the fruit character with powerful damson and elderberry fruit backed up by polish and a hint of black molasses. The palate is big with more grainy tannins and prodigious length. The Touriga Franca grape was important in 2018, keeping things fresh, and 45% was included in this wine, alongside 15% Alicante Bouchet and Sousao which brought in more body. We think this is made for longer term

drinking than the usual Single Quinta releases, say 25-30 years if you want, but has the softness to drink earlier.

Senhora da Ribeira is offered in boxed threes, again suitable as a gift if you want.

Additional Information
