

Quinta do Noval Petit Verdot, Douro Red 2018-En Primeur (case of 6)

Product Images

Description

Petit Verdot demands plenty of sunshine and warmth, and the Douro should provide a perfect home! Typically opaque, dark, broody and compact, showing some ink and crunchy cherry fruit on the nose. The palate too is dark and dense, but feels more mellow and relaxed, it has an inky frame, nicely integrated oak and is distinguished by a ripe yet firm tannic structure. This will want a little cellaring to show its full potential and, when the time comes, a good decant and a hearty plate of food! 5-10 years.

Additional Information
