

Gift Vouchers for In Store Redemption Only

Product Images

Description

Tanners Gift vouchers are the perfect choice for those who love having a good look around one of **our branches**. With a veritable treasure trove of wines to choose from in each of our shops, knowledgeable staff to guide you as required and vouchers starting from just £5, make someone's day and send them Tanners Gift Vouchers.

If you would like a **gift message** to accompany the vouchers, please fill in the Message box below and remember to include the recipient name. Your message will be **handwritten** into an A6 green and cream gift card with a beautiful line drawing of The English Bridge in Shrewsbury and the Tanners logo on the front.

Tanners Gift Vouchers will be sent free of charge by either by **first class** post or **'Recorded Signed For' Royal Mail** for higher denominations, and within 1-2 working days, either to the recipient or yourself dependent on the delivery details you enter at the checkout. **We are unable to leave high denomination vouchers without a signature as we require proof of delivery - we will not despatch high value gift voucher orders by any other method.** If the recipient is not at home, the postman will ask a neighbour to sign for the envelope, provided the recipient has not contacted Royal Mail and opted out of this service, or they will leave a card through the door with contact details of the local depot.

Please note: these vouchers cannot be redeemed online.
