Product Images

Description

Ayala's Rosé has an unusually high proportion of Chardonnay in the blend, this gives the wine tremendous elegance and poise. The nose and palate are full of gentle red fruit character with hints of strawberries, raspberries and even blackcurrants.

Press Reviews	<p>Ayala was taken over by its neighbour Bollinger in 2005 and it's a name to keep an eye on. More than 50 per cent chardonnay, this rosé is intense and deliciously dry, with redcurrant and an impression of both potency and finesse.</p> <p>Will Lyons, The Sunday Times Magazine, 9th August 2020 ...it's obviously a great excuse to open a bottle of something sparkling. If it really is a special occasion for the two of you, then a bottle of pink champagne is a must... try the more expressive, lighter, chardonnay dominated Ayala Rose Majeur NV.</p> <p>Terry Kirby, www.theindependent.com, 9th February 2020</p>
