

Tanners Cava Brut, Traditional Method

Product Images

Description

A superb, creamy, biscuity Cava with a lovely fine mousse and plenty of character. Made by the same method as in Champagne, it has style and finesse beyond its price.

Best Fizz for Summer

A wonderfully creamy cava that creeps in at just over £10. This has a refreshing appley character and would be great for drinks parties or to enjoy at home. The complex taste is a real eye opener – and it's not often you can say that about cava.

Will Lyons, The Sunday Times, 2nd June 2019

Tanners is one of the most respected merchants in the UK and their expert palates have uncovered this sophisticated Cava and it beats all competition by a mile while remaining just under the tenner mark. This is another cracker for larger parties.

Matthew Jukes, The Daily Mail, 8th December 2017

A bite of green apple, a hint of yeast and a twist of white pepper, but overall the style is easy-going so this should please a thirsty crowd.

Susy Atkins, Stella Magazine, The Telegraph, 8th May 2016

There is an ocean of Cava out there and yet, sadly, very few examples excite me. This wine is a rare beauty with perfect bubbles, delightful freshness and a long, elegant finish. I would happily drink this in place of Champagne and it is a perfect match with the Gruyère and chive gougère baubles.
