Press Reviews	<p>Around half of the bunches of this superb sweet wine were affected with botrytis in 2017. Not released since 2014, this is consistently one of the Cape's greatest sweet wines, with wonderful sweet and sour notes, some pepper spice and restrained exotic fruit flavours. 2019-25. 96/100</p> <p><b>Tim Atkin MW, South Africa 2019 Special Report, September 2019</b></p>
