Product Images

Description

André Dezat and his family produce elegant, very fine white wines and his Pouilly-Fumé is no exception. It is best drunk young to appreciate its fruit and the smoky gun-flint characteristics so indicative of this famous region.

Press Reviews	<p>This impressive expression of sauvignon blanc combines grassy, stony, citrus fruit with some pear and very fine green hints. This is a flavoursome wine that carries an agreeable subtlety and fruit definition.</p> <p>Jamie Goode, The Sunday Express, 17th March 2019</p>
