Description

The perfect gift, dinky versions of Churchill's white, ruby and tawny ports, all in one pack.

Churchill's Reserve Port

This Reserve Port has a bright, full ruby colour with violet tones. On the nose, very distinctive with fresh blueberries and hints of eucalyptus; a very vibrant young Port with plenty of natural acidity but also balance and pedigree denoting its grade "A" vineyard origins.

Churchill's Dry White Port

A gorgeous White Port with a vibrant golden colour and grated nutmeg and eucalyptus on the nose. On the palate, this wine is fresh and complex with a long peppery finish.

Churchill's 10 Years Old Tawny Port

A rich, brick red colour with flashes of amber. Elegant and subtle, complex on the nose, with expressive notes of dry fruits combined with hints of orange peel and full in the mouth. This 10 year Old Tawny Port shows an excellent vinosity and freshness, allowing it to finish long and persistent.
