## Description

---

Rich, tropical fruit nose of passion fruit and fig is backed up by creamy but subtle oak. The palate is elegant and well poised. This is a great wine from this excellent single estate.

Press Reviews	<p>You don't normally associate sauvignon blanc with Spain, but this wine comes from a vineyard at high altitude, making the climate cooler. It's rich yet balanced with ripe pear and mango fruit and citrus hints.</p> <p><b>Jamie Goode, The Sunday Express, 12th January 2020</b></p>
