## Description

### \*Best Rosé\*

*Why? We're missing those long, hazy summer days you enjoy in mid-west France, so buy this charming rosé, fill your glass and transport yourself to pretty Pomport in the heart of Bergerac. Subtle, strawberry-scented pinks are a joy on a sunny day, even if you are on a 'Staycation'.*

**Erica Baker Vilain**

An attractive, fruity rosé with juicy strawberry character and a good, fresh finish. Le Fagé is well situated on slopes overlooking Bergerac.
